January 2011

Vol. 72 No. 1

Monthly Newsletter of the Cudahy Chamber of Commerce, Cudahy, Wisconsin

## Happy New Year!

As your new Chamber President sending my inaugural newsletter, I thank the Board of Directors for having the confidence in me to lead the Cudahy Chamber of Commerce through 2011. I am excited for this opportunity and look forward to the progress we can make in the next year. I also have big shoes to fill, succeeding in presiding over the Chamber after the ever-affable and congenial Ray Glowacki.

My goal for 2011 for our Chamber is to add value to your membership whenever and wherever possible. Your Board is actively discussing this topic, as well as marketing the Chamber to better the awareness of the organization. Within the next coming months, you will see what will hopefully be a marketing approach more robust and proactive in identifying the Chamber and its members.

But remember, this is YOUR Chamber. If you have ideas and/or wishes for or of the Chamber, please forward those to myself or the any member of the Board of Directors for further consideration.

I will see you on January 12<sup>th</sup> at Southwoods Restaurant. Slated to join us is Rep. Mark Honadel, discussing what we can expect from the state government after the November elections, and Cudahy City Engineer Mary Jo Lange, discussing any information she has available on the Packard Ave construction..

In the meantime, enjoy the New Year with jubilee and safety.

Brian E. Williams, President
